PART ON Company Profile

ACHIEVE PACK

Hong Kong sales & sourcing office of Achieve Pack

1/F, No.41 Wo Liu Hang Tsuen, Fo Tan, Hong Kong

■ One point of contact

Briefs, samples and order changes are handled by one Hong Kong team, not by a chain of factory emails.

■ Direct line to the plant

We work directly with the Foshan plant on artwork, print proofs and production follow-up.

■ Bilingual paperwork

Quotations, proofs and shipping documents are issued in English and Chinese.

Company Profile

Our group was formed in 2008. Achieve Pack is the Hong Kong sales and sourcing office, and your point of contact for all export enquiries. Our manufacturing facilities currently feature 70,000 square meters of cleanroom space, equipped with 5 rotogravure presses, 2 digital presses, 7 laminators, and 23 multifunctional bag-making machines; at full capacity, our annual output reaches 40,000 tons. We specialize in providing packaging films and pre-made bags for sectors such as snack foods, coffee, pet food, healthcare, and daily consumer goods, with a product portfolio that includes recyclable and biodegradable packaging. We hold BRC and ISO certifications.
